OR Books is a new type of publishing company. It embraces progressive change in politics, culture and the way we do business. In Mr. Davis's account, the world ends in fire, and the next time is now. The New York Times (on Davis's Ecology of Fear). Mike Davis's The Monster at our Door...gives me everything that the news cycle doesn't: a sense of the interconnected forces and the history that set us up for what we're experiencing. —novelist Molly Dektar in Vogue.
