This masterful essay is anthologized in Tate's new book *Flyboy 2: The Greg Tate Reader*, a collection of Tate's writings on black artists from John Coltrane and Jimi Hendrix to Spike Lee and Kara Walker. In it, Tate reflects not just the breadth and depth of his range, but also the richness of his dialogue with fellow black writers. The title of Tate's first book, *Flyboy in the Buttermilk: Essays on Contemporary America*, is a playful ode to Jean-Michel Basquiat, whose ability to foreground black people in a world which wants to erase them made his work not just ingenious, but righteous and profound. Tate briefly met Basquiat just one time in person, when legendary graffiti artist and hip-hop prime mover Fab Five Freddy invited me to a party over at his house in the mid-80s. *Imagineering Atlanta*. In the age of decentralization, instant communications, and the subordination of locality to the demands of a globalizing market, contemporary cities have Penguin Random House Products. ASMTIH my selfie. Classroom Organisation Teacher Organization Teacher Hacks Classroom Management Organization Ideas Classroom Ideas Organized Teacher Filing Cabinet Organization Teacher Jobs. *Flyboy in the Buttermilk*. Basquiat in Brooklyn. In a conversation for *Interview* with the late Henry Geldzahler, former curator of contemporary art at the Metropolitan Museum, Basquiat identified as his "favorite Twombly" the 1975 *Apollo and the Artist*, which features a big "Apollo" written across it. *Apollo and the Artist* is in the Whitney show, and it is interesting to compare it with Basquiat's *CPRKR* in the Brooklyn show.
