

Allies Pearl Harbor To D-day

By John S. D. Eisenhower

Da Capo Press. Paperback. Book Condition: New. Paperback. 528 pages. Dimensions: 8.9in. x 5.9in. x 1.2in. Dwight D. Eisenhower once remarked that the history of alliances is a history of failure. This provocative, absorbing work, based on a study by the General and written by his son, is a history of one of the great exceptions, the most successful military alliance the world has ever seen the Anglo-American military alliance of World War II. At once a study of the prodigious undertaking that brought millions of men and women together to defeat the Axis and a portrait of the great personalities who built and sustained the alliance, *Allies* offers vivid glimpses of war at the working level: on a convoy crossing the Atlantic, with a secret landing party on the coast of northern Africa, and with armored units in Tunisia. Eisenhower has crafted a powerful narrative and a most valuable contribution to the literature of World War II. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
