Angela Haas counseled, litigated and WON a very difficult case in the courts for me! The legal precedents for my case were thoroughly researched and she was prepared for any contingency that might occur on our day in court. She proved to be an experienced navigator of the court system. Angela Haas helped me work out a parenting agreement with my ex. Angela's help was invaluable, especially in keeping the matter out of court for the kids' benefit -- they had plenty to handle already. Rate a Professor. Angela Haas. Bowling Green State University.
