The Japanese Art of Reiki: A Practical Guide to Self-Healing (Bronwen Stiene, Frans Stiene paperback. Blurb for the book from the Author: "From the Author Since the first whiff of information came from Japan that there might still be traditional Japanese Reiki practitioners in Japan, we became intrigued with the system of Reiki's Japanese past. We travelled to Japan (with our two year old in tow) to see if we could find out anything else about it. This is not a compendium like The Reiki Sourcebook, but a guide for people who want to heal themselves and connect to life spiritually using simple and effective Japanese Reiki practices. " The other one is the Reiki Sourcebook, but I think the first one would be a more interesting read to start with. Reiki Masters Frans and Bronwen Stiene are also the authors of the critically acclaimed The Reiki Sourcebook. They are the founders of the International House of Reiki based in Australia. With over 14 years of combined experience as practitioners and teachers in healing and spirituality they have worked with, and researched, healing in Europe, Asia, Australia and Japan with their particular passion being the recovery of traditional Japanese Reiki. They are teachers whose ideals are truth, education, support and spiritual development for all. Excellent book for those who are ready for a life change or on a course already. The Japanese Art of Reiki: A Practical Guide to Self-healing. Read more. 3 people found this helpful.
