Toxic Cloud is the second spell the player gets. It's unlocked at level two of the Wizard's Tower, filling the vacant second spell slot. Most players replace this spell rather quickly. Paladins: Toxic Cloud does heavy damage to paladins, rendering the backbone of many early level defenses useless "not instantly, but within seconds. Arblasters, archers, and frosters: Against ranged units, Toxic Cloud is a mixed blessing due to its low range. Once within range, arblasters with their weakness to poison "The movement toward a theocratic America has a new obstacle: Bill Press's articulate defense of real religious freedom." --The Rev. Barry Lynn, Executive Director, Americans United for Separation of Church and State. The author identifies the conservative talkers that spew forth toxic talk in rough order of their prominence on the radio/television and follows by describing the personality of the talker (Rush the bully, Glenn the crier, etc.). Finally, the author finishes each section with examples of the type of material that they pour out every day on their respective shows. The toxic New Delhi skies are caused in part by the burning of fields, and officials have begun restricting car use, shutting primary schools and halting construction projects. Video. transcript. "I Feel Terrible": Toxic Air Pollutes New Delhi. Air pollution in New Delhi hit extreme levels over the weekend and into Monday. India's government has declared a public health emergency, shut down schools and halted construction projects. "It's extreme from my perspective.
