From Middle English auctour, from Anglo-Norman autour, from Old French autor, from Latin auctor, from augeō (to increase, originate). The h, also found in English authour, is unetymological as there is no h in the original Latin spelling. The OED attributes the h to contamination by authentic. (Received Pronunciation) IPA(key): /ˈɔːθər/. (General American) IPA(key): /ˈɔːr/. (cot-caught merger) IPA(key): /ˈɔːr/. (obsolete) IPA(key): /ˈɔːtər/. Rhymes: -ɔːr. Hyphenation: au-thor. An author is the creator or originator of any written work such as a book or play, and is also considered a writer. More broadly defined, an author is "the person who originated or gave existence to anything" and whose authorship determines responsibility for what was created. Typically, the first owner of a copyright is the person who created the work, i.e. the author. If more than one person created the work, then a case of joint authorship can be made provided some criteria are met. In the
