By James Jones

SPCK Publishing. Paperback. Book Condition: new. BRAND NEW, Jesus and the Earth, James Jones, What was Jesus' attitude to the earth? What, if anything, did he say about the environment? Is there a divine 'earth-ethic' to be found in the Gospels? A series of questions is provided at the end of each chapter to stimulate individual reflection and group discussion. "I very much hope that this timely and insightful book from James Jones will inspire many individual Christians and the Church as a whole to be far more 'militant' in defence of God's earth." ...
